Dear Anne,

I would like to extend the sincerest thanks on behalf of SES volunteers for all your efforts and assistance to the volunteers of the SES Critical Incident Support Program who attended training from 6 March 2008 to 9 March 2008.

I received many comments on the excellent service and hospitality that you provided and I too offer my thanks for your service to SES.

Your support to the NSW State Emergency Service is appreciated and we look forward to holding more SES functions in the future at the Comfort Inn Fairways Resort.

Yours sincerely

Gina Mammone
